## About Yasir

I'm Yasir, I work efficiently, quickly and to a high standard, constantly checking on the trends in the marketplace to keep my work and your business current. Using the latest Software to bring you the best results.

I specialise in graphic design, web design, branding & logo design, advertising, marketing, editorial & magazine design. I have over 8 years of experience in the web design industries.

I am a Professional Graphic Designer (Expertise in logo design). My exposure to engineering during earlier years owes much to my sense of designing which occurs more as passion and less as 'task' to me.

I am an experienced Multidisciplinary designer with a unique and adaptable style specialising in Infographics, Print design, Logo's, illustration, stationery and brochure design, I have years of experience and I am committed to delivering you high-quality work in the least possible turnaround time.

'A genuine artist is someone who stands apart the conventional troupe, says no to join them and stands out as a freelance.'

Worked with this designer before so it was nice to just plug in from last time to keep the marketing materials moving forward. Easy to make edits with too. I will gladly continue more projects with this graphic artist.

YESTERDAY

**Amjed S.** 📍 DUDLEY, UNITED KINGDOM

Did a good job and communication were timely too. However, please be aware you get what you pay for. I had an idea of my logo in fact I provided a prototype logo and just needed a professional to complete and provide relevant files.
